Dear Dr. Garcia,

We need your help. At the American G.I. Forum National Convention in Corpus Christi Mr. Rudy Beserra, who was the Deputy Liason Officer for the White House, invited Leah to come sing for the President at the White House. We even received a letter from him confirming the offer.

Then we heard nothing, We found out through reading an article in VISTA that he had resicned his White House position and gone to work for Coca Cola.

Through inquiry we found that the information on Leah did make it to Laurie Firestone, the Social Secretary to the White House.

That was a year ago. Leah still really wants to go. Ms. Firestone's address is the Office of the Social Secretary,

East Wing, The White House, Washington, D.C.

20500. If you could help, we would appreciate it very much.

*Sincerely,*  
*Rachel*
