Dr. Garcia:

I waned like to thank you for calling our home. I am sorry I missed your call.

My husband and I appreciate the fact that you see Adolph and spend some time with him when you are in Washington. From the time Adolph met you he has always admired you. He respects the fact that you work so hard for other people and for so many different causes every where.

We miss Adolph very much but he is commited to his work and to earning his law degree. We waned never stand in his way. Our life is ending and his is ahead of him. He is entitled to reach his goal in life. We try to keep a low profile concerning our illness. We don't want him to warry about us more than he does now. He has always been a very caring son.

We thank you for your concern. Having you extend your offer of assistance means very much to us. It's a good feeling to know we can call on you. We pray that we will be able to stand on our own for a long time to come. We are humble that a man of your standing would be there for us. May God bless you always.

Sincerely,

Caliope P. Falcon
