Dear Dr. Garcia,

I hope this finds you, your family, and your staff well and happy. Since you are a great patriot and are working for an ammendment to protect the flag, we wanted to share this song with you. It was written especially for Leah by Merrill Lane who has written many country and religious hits for a variety of singers. The title of the song is "The Old Stars and Stripes" and we feel that Mr. Lane has written a very fine song. Leah intends to debut it during the Sherrill Park POW/MIA Day services on September 15.

Leah is doing well. She promoted out of the fifth grade with the highest grade average in the school. She worked very conscientiously to do well at all times so it is good that she did so well. She says that she is adjusting very well to her new school too. She told me to say hello to you and that she hopes to see you soon.

We hope that you like the song. Let us know if we can ever do anything for you.

Sincerely,

Rev. Rachel Whitefield Wilken
