Dear Sir:

From a telephone conversation with a Bexar County Veteran's Officer, I learned that you are the author of a book entitled "The Longoria Legacy," which is the story of an American soldier who died in World War II. I am very much interested in obtaining a copy, if available. The local bookstores do not list it. I will gladly tender the cost, to include handling etc. Please advise. I served in the U.S. Army (82nd Airborne Division). Thank you.
