On behalf of the entire staff of KUNO Radio we are honored to have the privilege of the Aguilares music on our air waves. The future preservation of our language, arts and development of our culture is attributed to the artistic endeavors of artists like the Aguilares who dedicate their unselfish music endeavors.

It is of utmost importance to promote the traditional music of our families and future generations and be utilized to educate our childrens' children.

Therefore, we congratulate Los Aguilares for thirty years of musical success and dedication to the Hispanic music industry.

Sincerely Intte Bulanza #vette Berlanga
