Dear Mr. Rocha:

We express our sincere congratulations, for the great music of Los Aguilares.

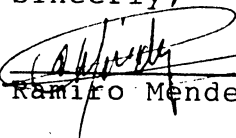

Los Aguilares have been a tradition in San Antonio & Texas, since the early days, in this area they have entertained the local residents for many years.

The cultural traditions of San Antonio parallels those of Mexico, where groups are plentiful. Los Aguilares bring traditions still being preserved through the universal language of music.

KBUC se une a todos los que estan con los aguilares para desearles lo mejor en este su 30th aniversario.

F E L I C I D A D E S

Sincerly,

Ramiro Mendez P.R. Promotions
