Heritage,

Greetings. I recently viewed another most enjoyed film from Heritage entitled segment: "The GARCIA'S". Will you please forward this note toward Ms. Cleo. Garcia Thank you Heritage.

Luis Antonio G. Lopez

Dear Ms. Garcia,

As stated above I'd like to write of my appreciation to 'Heritage' for the presentation on Hector and Cleo. Garcia. I wonder if you may provide me with the titles to the three books you've written.

My family are Mother Lopez and relatives in New mexico. I would like to read your books that I may research our family line with all helpful information they can provide.

Also I'm interested in the G.I. Forum organization, as I've long heard of their platform and thought they'd be a group to join if they're local, etc. I believe I'd enjoy the politics an company.

Thanks Again
Luis Lopez
