Dear Dr. Garcia:

I very much appreciated your note of opposition to the treatment given the Texas Commission on Human Rights in Senate Bill 1 as it was originally introduced.

Let me assure you that the bill as introduced was nothing more than a parliamentary vehicle with many changes expected before the process is finalized.

And I can further assure you that I will fight to the end to preserve the Commission on Civil Rights and to give it the tools it needs to do the vital job it must do.

Sincerely,

A handwritten signature in black ink, appearing to be "Bob Bullock", written over a printed name and title.

BOB BULLOCK
Lieutenant Governor
