Dear Dr. Garcia:

The Workforce Development Corporation is proud of our efforts to provide employment and training opportunities to the economically disadvantaged adults and youth, dislocated workers and workers 55 years of age and older in Corpus Christi and Nueces County. We are particularly proud of our leading role in providing child care management services, quality workforce planning and the impetus for creating a human investment system. On Monday, August 26, 1991, we will reflect on our successes during the past program year and offer a look at the year ahead.

As a supporter of our programs, it is my hope that you will join us for our Annual Meeting at the Marriott Hotel to hear the comments of U.S. Congressman Solomon P. Ortiz and a review of our 1990-91 accomplishments. The evening will begin with a cash bar reception at 6:30 p.m. Dinner, keynote address and a very special program celebrating JTPA and Workforce Development Corporation Alumni Week will begin at 7:00 p.m. I know you will find the evening insightful, enjoyable and motivating.

If you are able to join us for this important event, please call Shelley Franco at 855-7640 no later than Thursday, August 22, 1991. We look forward to welcoming you and sharing with you information about our successful year.

Sincerely,

Robert L. Trask, President
