

PHIL GRAMM
TEXAS

United States Senate
WASHINGTON, D. C. 20510-4302

April 5, 1992

Dear Friends:

If America is to remain the leader of the free world then we must boldly step forward in educating Americas next generation of workers. Corpus Christi is ready to accept this challenge.

I will be in Corpus Christi on Wednesday, April 15, at 1:20 PM at West Oso High School to join many interested in a quality education to kickoff the city's participation in the "America 2000" education goals. It is my hope that you will also join me at the rally and show your support for excellence in education.

President Bush has announced the "America 2000" education initiative, a strategy that has challenged all of us... parents, teachers, businessmen, clergy, elected officials... to dedicate ourselves to the building of community schools where learning can occur.

"America 2000" addresses the challenge by recognizing that our nation's quest for excellence in education calls for Americans to do what we do best... be creative, innovative, and develop new ideas.

I am proud that Corpus Christi is joining this crusade. I hope that you will be able to join me and show your support.

If you have any questions about the kickoff rally, please contact Ed Hodges in my San Antonio office at 512/366-9494.

Yours respectfully,

PHIL GRAMM
United States Senator
