Dear Dr. Garcia:

The Board of Managers of Memorial Medical Center at its meeting on Tuesday, November 24, 1992, approved your reappointment to the Medical Staff as specified above.

This action was based on the recommendation of your clinical department, the Credentials Committee, and the Executive Committee of the Medical Staff.

Thank you from the management staff for your personal commitment to our mission. As we look to 1993, we anticipate new and great opportunities for all of us providing healthcare in our community. Because of your support and cooperation, we know that together we can continue to meet these challenges.

Please let me add my personal thanks and appreciation for your support of Memorial Medical Center.

Sincerely,
