Dear Doctor Garcia,

That was the most exquisite gift last night which I shall treasure: I am most grateful.

It was a pleasure to meet you again and on such a grand, relaxed social engagement.

Further to our conversation on the night of Commodore Jung's reception, I was at that time unaware of your quite remarkable achievements within this community - now that I know of your full reputation, I am deeply honoured to have met you.

Once again I thank you for your gift and I wish you further success & every happiness. Our memories of this part call will endure for many, many years to come - and we are deeply grateful to you all.

Yours very sincerely,
Chrisopher
