Dear Dr. Garcia:

It was indeed a distinct pleasure to make your acquaintance this past weekend at your daughter's party. She has spoken highly of you as her father and friend. I have become quite impressed with Cecilia during our short association and feel that she is an asset not only to the Licensing Board, but to her community, and as a Physical Therapist who truly cares for the patient.

I am looking forward, enthusiastically, to becoming better acquainted with you in the days and years ahead. As a Rotarian, I truly believe that our motto would be very applicable to you and that is, "Service above self."

Please feel free to contact me at any time for any information or assistance that I might be able to give you as a member of the Licensing Board or fellow Texan.

Respectfully yours,
