Dear Dr. Garcia,

Richard Dominguez told me that you enjoyed Leah's performance Sunday. We are so pleased. He also told me that you wondered about our background. Leah and I are both native Corpus Christians. He moved to the Valley soon after her birth.

Leah has been performing since she was one-and-a-half. She has been a professional performer for four years and has done t.v. commercials, printwork, and fashion shows. She has many local, state, and national titles in beauty, talent, and photogenic. In addition to performing, she enjoys art and writing and has won awards for both.

She is a very strong Christian and a dedicated American. I guess that you can tell because she gets misty when she sings patriotic songs. She is an honor student and will be a second grader at Sacred Heart School next year.

She goes by Leah Evans-Wilken. My husband is Jim Wilken, the News Director at KOUL-FM. Corpus Christi is his hometown too.

If you would like for her to sing, let us know. May God continue to lead and bless you.

Sincerely,
Rachel Wilken
