Dear Dr. Garcia:

I am pleased to inform you that we are making progress in having a movie made on your friend, the great Gus Garcia. As you know, I have tried unsuccessfully for over fifteen years to make the networks responsive to recognizing the contributions of our first real civil rights attorney and the legal battles he fought to gain full American citizenship rights for our ethnic group.

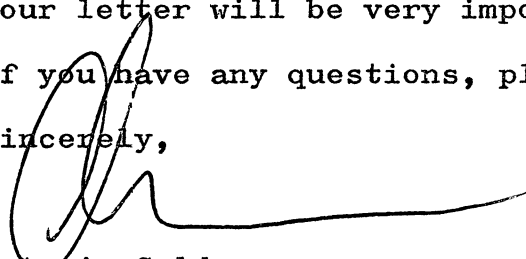

While I still don't have a commitment from the networks, I now have actor Martin Sheen, star of several movies and many television movie productions confirmed to play Gus Garcia. This is a major accomplishment towards approaching the networks for a movie deal.

Please send me, at your earliest convenience, a letter supporting my efforts to the address shown in the attached letter. No mention should be made of Summitt County Productions as I will be co-producing the film with a company associated with Martin Sheen.

You have been helpful to me in the past and I am asking you for assistance one more time. If there are other individuals that you feel should write me also, please feel free to let them know. Your letter will be very important to me when I meet with the networks.

If you have any questions, please call me at 818-508-1601.

Sincerely,

Antonio Calderon
Producer

P.S. Martin Sheen's last surname is in reality, Estevez. His sons act under that surname.
