

OFFICE OF THE GOVERNOR STATE CAPITOL AUSTIN, TEXAS 78711

July 28, 1986

Dear Dr. Garcia:

MARK WHITE GOVERNOR

> Thank you so much for your generous contribution to our earthquake relief fund. This latest \$2,508.79 provided by the people of Corpus Christi through your efforts will be a welcome addition to the almost \$600,000 received by the Texas Response thus far.

> As you know, the extensive damage in Mexico City from the earthquakes last September included numerous hospitals and schools that were completely destroyed. The funds collected by the Texas Response are already at work rebuilding an elementary school, and we hope to obtain enough money to build a primary care health facility.

Everyone with whom we have been in contact in Mexico has been extremely appreciative of our help, and I hope you will share with your individual contributors my personal gratitude for helping in this people-to-people effort.

Again, thank you for your personal leadership in this and the numerous other civic activities to which you lend your time and energy. It was a great pleasure seeing you in Wichita Falls, and I look forward to future opportunities to visit.

Please give your family my best regards.

Yours truly,

Mark White Governor of Texas

Dr. Hector P. Garcia, M.D. Founder American GI Forum of the U.S. 1315 Bright Street Corpus Christi, Texas 78405
