Dear Dr. Garcia:

A recent reorganization resulted in the consolidation of my Civilian Personnel and Equal Employment Opportunity Offices.

Mr. Lewis A. Finch, Director of Civilian Personnel Programs, assumed the responsibility for the Equal Employment Opportunity Program for the Naval Air Training Command effective 8 April 1987. Mr. Finch has been designated as Director of Civilian Personnel and Equal Employment Opportunity Programs and is the official point of contact for the Chief of Naval Air Training on all equal employment opportunity (EEO) and civilian personnel matters.

Mr. Finch and his staff, Mr. Gilbert Sepulveda, Ms. Elsa Ciminelli and Ms. Silvia Alley, are available to provide assistance. Mr. Finch will be making courtesy calls within the next few weeks, and will be happy to meet with you at your convenience. Mr. Finch may be reached at 939-2373, 939-3786 or 939-3442.

Sincerely,
