

¡Gracias!

Dear Dr. Garcia,

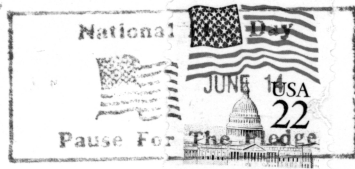

I just wanted to thank you from the very bottom of my heart for taking time from your busy schedule to be with us at my mother's funeral. Your kind words about my mother, Solomon and about myself will never be forgotten. I also appreciate you coming by her room at the hospital to console her with your kind words during the last days of her life.

Even though you had never met her she used to think very highly of you and would always call me to Washington when you were on the news or on comentarios.

Again Dr., from the bottom of my heart and on behalf of all my family thank you very much for everything.

Seu Amigo Sempre
Capitan Rendon

P.S. Please thank the G.T. forum for their beautiful flowers.
