GIVING GUIDE

The question is often asked, “How much should I give?” A gift to the United Way is a personal decision. As a guide, local volunteers recommend one percent of annual salary. Of course, a gift greater or smaller than the guide will be gratefully received by the United Way.

Dear Medical Professional:

As 1987 United Way Campaign Chairman, I am extending this invitation for you and your staff to become personally involved in unlocking our potential for growth in the Coastal Bend.

The United Way of the Coastal Bend is truly a community-wide effort. Most of our contributions come from individuals at their place of business. We invite you to give your employees an opportunity to become a part of our community's annual United Way Campaign. Please give us your permission to solicit your staff. A card is enclosed for your response.

You have already received a request from Mr. Bill Clark at Citizens State Bank for your personal contribution to this year's United Way Campaign. Many of you have responded generously. Thank you for your contributions. If you have not yet contributed, please make a contribution today. A pledge card is enclosed for your convenience.

I sincerely hope you will accept this invitation for you and your staff. In doing so, you will be supporting a responsible organization that is genuinely dedicated to meeting health and human-care needs in our community. United Way -- It brings out the best in all of us.

Sincerely,

VALERO REFINING COMPANY
