Dear Dr. Garcia:

Ruben informed me of your recent call concerning my trip to Spain. I appreciate your kind comments. The Mayor has offered to help us in setting up a commission. I suppose we could set our own commission up without her help. On the other hand, if the city creates such a commission as she has indicated her desire to do so, we could certainly benefit from the city's help. I am going to follow up with the Mayor and find out how serious she is. Perhaps we can work together on this project.

Yours truly,

  
Tony Bonilla
