Dear Dr. Garcia:

This letter supplements the one we sent you on March 11 requesting a letter from you about President Lyndon B. Johnson's civil rights leadership. Please understand, it was not our intent to limit your statement to your U.S. Commission on Civil Rights service. Please include your experiences with President Johnson during your years in the Commission, and any other experiences with him.

I want to share with you a copy of the letter we recently received from Harold Fleming as an example of what we would like to have in the President Johnson civil rights booklet. We look forward to receiving your material. Please place your statement on letterhead in similar fashion to the Fleming statement. If you would want to discuss your statement with me, please do not hesitate to call me at the Louisville office, 502/588-4024.

Sincerely,

Galen Martin
