Dear Dr. Garcia:

Several months ago I contacted you to send me information about yourself for a children's book. I appreciate your cooperation in this endeavor and am happy to say that I have found a publisher in Austin.

I am not making another request. Could you send me a black and white photo of yourself, preferably 5 by 7 inches. We want to include a picture of each person represented in the book.

If you have a problem with this, let me know. Otherwise, I will look forward to receiving the picture as as soon as possible.

Sincerely,

Sammye Munson
