Dear Dr. Garcia,

Attached hereto you will find a newsclipping of a story that came out in the San Antonio Express-News yesterday.

You look great and affable with that infectious smile.

I will take this opportunity for the boost you gave us in connection with our historic legalization program. I had the feeling that you would jump right into it and help people in your characteristic manner.

Sincerely,

A handwritten signature in cursive script, reading "Richard M. Casillas".
