Dear Mr. Bonilla:

I am in receipt of your letter dated June 23, 1988, and would like to assure you that the Bee Community Action Agency has never denied access to public information to anyone who has requested it.

The agency responds to an 18-member Board of Directors and a five-member Governing Board--Commissioners' Court. Since Mr. Martinez is a member of the Governing Board, the information he has requested has been made readily available to him. We request that he, or any other individual (requesting public information), contact me or my Administrative Assistant, during normal working hours, and an appropriate time will be designated for viewing the requested information. The photocopying of such information is a time-consuming and costly venture.

If you have any questions, or if we may be of any further assistance, please feel free to call.

Sincerely,

Paul Sullivan
Executive Director
