Members of graduating class of 1940, University of Texas Medical Branch,
Galveston, Texas

Dear Young Ladies and Old Men,

Surely your hormonal depletions, creaking joints, and cerebral stenosis remind you periodically that you have been out of medical school now for twenty years, having finished with that illustrious and malignant class of 1940.

I have thought of our class many times and have looked forward to our having a reunion on some auspicious date in the future. With the imminence of our twentieth anniversary I wonder whether we can plan a class reunion at the state medical meeting this year. The annual meeting of the Texas Medical Association will be held in Fort Worth April 9 through 12, and if enough of you are in favor of our attempting a get-together I will be glad to initiate the plans. Many of our classmates have suggested that we meet for a cocktail party and buffet on Sunday night, April 10, and if enough members of the class evince interest in this, Walter Petta of Fort Worth will make the arrangements for a location for the affair.

Woody Avent, Waco, has sent me forty-five cards which were returned to him in answer to his query for program participants in the general practice section. All but one of these forty-five answered they would like to have a class reunion. With this letter I am enclosing a card which I would like to have mailed back to me. Note that I am asking for more than interest in having such a reunion. I wish to know definitely that you will plan to come. If you can't attend on Sunday night please indicate, and if a majority wish to have a reunion at some date other than the one specified, we will plan for another time. (There are so many official functions of the T.M.A. on Monday and Tuesday nights of the annual session that these nights are not really available for us.)

Perhaps you would like to have the class roster showing the present addresses. Enclosed is a list I have obtained from Mildred Robertson, and as far as I know it is up-to-date. If you see any incorrect addresses would you notify me so that I may see that all members receive this letter.

Our class has lost some of its members. Among those are Mayo Albert, B. T. Wickens, Mortimer Bannister, Bert Breath, Eddie Schwartz, and Hal Roosth. There may be others who have not been reported to Mildred.

W. J. Jenkins, Bill Ainsworth, Ben Withers, Woody Avent, and I have talked about this reunion and have some plans. We think it will be great for each to bring his spouse, his evidence of opulence, and his tales of conquest to the reunion. Let me hear from you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pepper".
