DR. HECTOR P. GARCIA,
Fundador American G.I. Forum of the U.S.
1315 Bright St.,
Corpus Christi, Texas, 78405.

In reference to your letter dated September the 8th., 1977, please be informed that the U. S. Naval Air Station Band and its Sonora del Mar, have in the past five years participated in many important events presented in this city by the different Mexican Social Organizations and by this Consulate of Mexico, specially in the National Holydays Festivities of Mexico on every 5th of May and 16th of September of each year, Anniversary of the Battle of Puebla and Mexico's Independence Day.

Also said U.S. Naval Air Station Band and its Sonora del Mar, cooperated with this Consulate of Mexico in the welcoming of Mexican Groups that had visited this City in International goodwill trips, and also in the fairwell trips of different U.S. students groups making goodwills trip: from Corpus Christi to Mexico.

In my opinion the U.S. Naval Air Station Band and ist Sonora del Mar, have given an excelent help to the community to achieve better international, cultural and frienshipties between the peoples of our two countries.

Very truly yours,

HECTOR RANGEL,
Consul of Mexico.
