Dear Dr. Garcia:

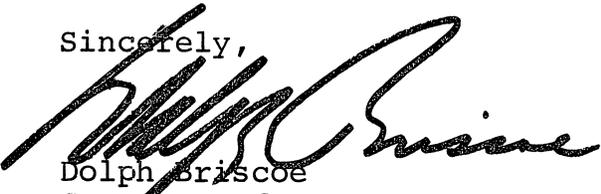

Thank you very much for your letter of December 17 and your outstanding recommendation of Dr. Clotilde Garcia for appointment to the Board of Regents of The University of Texas.

As you know, I have had the privilege of working with Dr. Cleo on a number of occasions and totally concur that she is a person of outstanding ability and sound judgment. She would, indeed, make a strong addition to this Board or for that matter, any Board requiring judgment and wisdom.

I also very much appreciate the statistical information which you enclose and assure you that this will receive my very serious consideration at the proper time.

Please accept my kindest personal regards and best wishes for a merry holiday season.

Sincerely,

  
Dolph Briscoe  
Governor of Texas
