February 23, 1954

Mr. Jesus Enrique Salinas Columbian Preparatory School 1811 Biltmore Street, N. W. Washington, D. C.

Dear Enrique:

In view of the many fine recommendations from mutual friends and your grade on the examination. you have qualified for one of my appointments to West Point. However, in discussing this matter with Senator Lyndon Johnson, I find that he has already named you as his appointment. Therefore, I am simply writing to congratulate you and to wish you every success in the future.

I know it will please you that both of the Texas Senators were favorable to your appointment, even though only one of us could make the nomination.

Kindest regards.

Frice Lamiel
