

THE WHITE HOUSE

WASHINGTON

May 26, 1978

Dear Senator Tower:

The President has asked me to acknowledge his receipt of your letter of May 19 regarding what appears to be an attempt to discredit certain Hispanic organizations.

The President appreciates your comments, and has them under consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "Frank Moore". The signature is fluid and cursive, with the first name "Frank" and last name "Moore" clearly distinguishable.
