Dear Dr. Garcia:

Thank you very much for your letter of December 28, your very kind words about VISTA and your interest in receiving additional copies of the Linda Chavez story issue. Our editor, Harry Caicedo, has forwarded your words of congratulations to Elizabeth Llorente.

I had the pleasure of meeting you at a luncheon our common friend, Tony Bonilla, organized for Hispanic community leaders in Corpus Christi shortly before The Caller Times decided to start distributing the magazine.

I very well remember your words of encouragement then, and I am happy to know that we have fulfilled your expectations.

Thank you very much for your invitation to attend the National Convention of the American GI Forum on August 1. I plan to attend and it is possible that Harry Caicedo will also be there. I look forward to receiving additional information on the convention.

Under separate cover you will receive additional copies of the November issue.

Best personal regards,
