Dear Dr. Hector Garcia:

Sunrise Mall is planning a **Community Fair** for February 23.

We would love to have your community group set up a table in our mall to let the public know about your group.

Of course there will not be any charge for you to join us but we do ask a few things. These are as follows: each group provide their own 6 foot or 8 foot table and folding chairs; each table be covered and skirted to the floor all the way around with royal blue skirting (available at A to Z Rental and other locations); each group that plans to sell a product or accept donations have a Certificate of Solicitation from the City Secretary.

Please come join us for Sunrise Mall's Community Fair Day on February 23!

Please fill out the enclosed RSVP form and return it to Faith Creighton, 5858 South Padre Island Drive, Corpus Christi, TX 78412.

Please feel free to call me at 993-2900 if you have any questions.

Sincerely,

Faith Creighton
Sunrise Mall
