Hector Garcia, M.D. 1315 Bright Corpus Christi, Texas

Dear Dr. Garcia:

On behalf of the Asociacion de Recalmantes and their Board of Directors I am expressing sincere appreciation of your presence at the meeting we had in Corpus Christi, Texas.

The speech that your presented to the members in the meeting was interesting and informative. That meant very much to us all as an Asocation of the Spanish and Mexican Land Grants.

Thanking you for taking time from your medical practice to attend our meeting, I wish you and your family the Best for the New Year.

Respectfully yours,
