Dear Dr. Garcia:

I am forwarding this letter to thank you and the fine G.I. Forum members for the spiritual and financial support to my "1984 Alaniz for Sheriff" Campaign. Without your help the campaign road would have been much greater to bear. I will always remember your dedication and hard work, and how you were there always when needed. Your support has enriched our lives and spirits, and I will always treasure your friendship. Until I see you again, my family and I remain your friends and peaceman,
