

Dr. Garcia,
AMIGOS MIOS

ADELANTE CON KENNEDY

On September 15, 1979 we hosted a Kennedy for President reception in Dallas during the Mexican American Democrats convention. The turnout was a great success. Over one hundred MAD delegates attended the reception.

On September 27th at the Tideland II, Al Leal and the Local Forum had a luncheon and again the Kennedy draft was discussed. Very few Mexican-Americans attended.

On September 29th at the Texas Democrats meeting at the Austin Hotel in Austin, the Kennedy Draft again was discussed. Just a few Mexican-Americans were present.

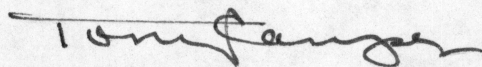

It is very important that the Mexican-Americans of Texas take a greater part in the political process of our country. We must take a definite stand in the "Kennedy Draft." We must contribute leadership to the Kennedy election. Our voting strength will make the difference in 1980.

Still another meeting has been set on October 28th beginning at 5:00 p.m. at the Forum 7 in Astro Village, for all Mexican-Americans concerned with the future of our country. In order to elect Ted Kennedy as President of the United States we must meet on the 28th to select Mexican-Americans to assist in the State-wide plans in the Kennedy draft and election. Mexican-American State Democratic Executive Committee members will be with us that evening.

Following this, a State-wide Draft Kennedy meeting will be held on November 10th at the Villa Capri in Austin, Texas beginning at 10:00 a.m. It is up to us to see that Mexican-American leaders be there and become a part of the victorious '80's.

Let's provide the leadership needed to elect Ted Kennedy the next President of the United States by being present at both these important meetings.

Gracias,

Tony Campos
