Dr. Hector P. Garcia 1315 Bright St. Corpus Christi, Texas 78405

Dear Dr. Garcia:

I will be out of my office for the next couple of days but I though that perhaps you and I and a few others could host a luncheon for Ray Valdez, Jr., the new Superintendent at the Corpus Christi State School. As far as I know, he is the first Hispanic to ever hold that post here in Corpus Christi.

Perhaps we can visit briefly sometime in the next week and reach a decision.

Thanks again for all your help and guidance.

Sincerely,
