Dear Hector:

You recall, do you not, that I used to make trips to Corpus Christi to see Dr. Carl M. Snyder, the dentist who specialized in orthodontia. The last time I saw him which was many months ago he was in very bad shape physically since he was a man well up in years and had suffered strokes and what have you. Really, I would like to see whether or not there is another orthodontist in Corpus Christi whom I could see. Please look at the telephone directory under your list of dentists and see if you can find one. If you do, please jot down his name and address at the bottom or in the back of this letter and send it right on to me. Best personal regards.

Sincerely,

Bob
