Dear Ed:

Sorry I did not answer sooner, Mr. Jesse Nino's address is
Box 635 Odem Texas Phone 4031.

Ed, Tuesday November 24, 1964 Mr. Raymundo Oropez the Sponser
of the Juniors in Corpus and myself went to Taft, Texas and
helped Mr. Tony Garcia organize the Ladies Aux. The men in
Taft together with the Juniors in Taft will be reorganized
soon.

Mr. Oropez, Mr. Sonny Saavedra appointed District III or-
ganizers, and eighth Juniors and myself went to Mathis to
talk and encourage the Juniors at their record Hop where
about 125 Juniors attended. I talked to the Junior State
Chairman, Jesse Benavides again about reorganization of the
Juniors through out the State.

November 29, 1964 Sunday we hope to go to Gregery and Aransas
Pass to start reorganization work at these two towns.

Last night the American G I Forum Juniors of Corpus Christi
under the leadership of its officers and their sponser Mr.
Oropez had a very successful Dance where over 200 Juniors
from the City and surrounding towns attended. The Juniors
in Corpus Christi, including the Molina Juniors are very
cooperative in reorganization work and very effective leader
ship has been displayed, I 'am very proud of the Juniors.

Hoping to see you at the Directors meeting December 6, 1964
where I hope to take as many members as I can especially the
Juniors who have been helping in reorganization work.

Sincerely yours
Herbert Ponce
