

AIR CORPS TECHNICAL SCHOOL
KEESLER FIELD, MISSISSIPPI

Billie Darling

will be away for one more day and it's that day. God Darling I'd give anything to be with you tomorrow, one year honey. I sure seems funny to think that it has been a year since we got married. I sure hope you call tomorrow afternoon. Did you get any of the letters that I wrote and asked you to call. I sure hope so cause I just won't be right if we don't get to talk to each other tomorrow.

Darling, I didn't get any mail today but it is the first day I missed getting any mail in about 14 days. I just hope I get that call tomorrow. I'd even be willing to miss getting a letter tomorrow to be able to get that call through.

Darling you said you were sending something. I wish you hadn't of done it cause now I feel like about 24 not sending you anything. Billie sweet new soon I am going to get what I had intended to get you & I have to break 50 bucks doing it.

16 only just 12 more days till you
get here. Boy that's beginning to sound
good. Not even 2 weeks. That sounds
almost too good to be true. 16 only you
said something about that hotel
being too far away from the bus
its only a little more than 2 blocks.
Is that all right? Oh yes something
good and something bad has happened
around here. The good our passes are
good till 11 o'clock now instead of 10
The bad and I mean very bad. They
have added another phase to our
schooling so that makes it about the
middle of April before we get out.

16 only I've heard that when we
get out of school. just as soon as we
get out we get a 3 day pass. You and I
have a lot to talk over about that
when you get here. and something else
for every month you are in the army
you have 7 1/2 days furlough. They
say you can take 15 days every 6 mo.
or 10 days every 4 months. So 16 only
the 9th of May I will be eligible for a
15 day furlough. If I can get it. I
sure hope I am stationed somewhere
by then. Cause you have to be stationed
some place before you can get the
furlough.

Darling do you know that I
love you. Every single day seems like
I just miss you a little more.
Just think Darling before long we

AIR CORPS TECHNICAL SCHOOL
KEESLER FIELD, MISSISSIPPI

will have 15 days to do nothing
but tell us how much we have
lack other. and something else I
forgot to tell you. you are also
entitled to a 24 hour pass every week
or a 3 day pass every month. I've
talked to a lot of guys that have been
in the army for a while and they say
in some places I had to go out and
take calisthenics but here I am back
again. anyhow in some places you can
live off of the post and in all of them you
can stay out till at least 11 o'clock
every night. So Darling just as soon
as I get stationed you are coming
with me.

I started this letter right after
after chow. I want to be sure to get
it in the mail early. I went to the
show last night 16 only I is the
first time I have been in about
3 weeks. I darling I haven't seen any
of my grades yet but I am almost
sure they are good out so far.

16 only please find out
when you will get here and let

me know as soon as possible & have to let them know at the latest to be sure and have that room waiting for you. Did you get those reservations all right?

His coat is beginning to sound better all of the time but it can't sound too good for me. God I hope you get that all through tomorrow. It seems so damn important. I hope you got that letter telling you why I sent that telegram. I guess you think I am silly & boring. But it seemed so awful for us to be feeling that way. Billie's sweet I never felt so low in my life as I did then. I sure have a lot to tell you about some of the dreams I had during that time. All the time I knew damn well you loved me you just had to cause love you too much.

I got a card today from the allotment department. It's not important. It's for in case of a change of address or if you want to find out about anything I'll just keep it till you get here then give it to you.

Well money's about run out. of something to say so I guess I'll sign off.

I love you

Good night Darling

A bunch
