Corpus Christi, Texas 78405

Dear Dr. Garcia:

As manager of the Corpus Christi office of HOMEMAKERS UPJOHN, I extend an invitation to you to serve as a member of the Advisory Committee for this office.

HOMEMAKERS UPJOHN, with 217 offices nationwide, is this country's largest provider of home care services; our office has been serving this community for four years.

We believe it extremely important that we remain responsive to the health care needs of this community and that we be prepared to meet any changes that occur in the approach to the delivery of services. Your advice and guidance are essential if we are to meet these goals.

The HOMEMAKERS UPJOHN Advisory Committee is constituted for the purpose of serving as an information source relative to the health care needs and resources of the community. It is designed to identify the concerns and health care needs of the public and the views of allied professionals, with the objective of making recommendations as to the appropriateness of services and programs offered by HOMEMAKERS UPJOHN.

It is anticipated that this group will consist of 12 members of the community, each of whom will serve a one or two year term. Further it is anticipated that there will be 3-4 meetings a year, to be scheduled as luncheon or dinner meetings at the preference of the group.

We need as many participants as possible for our first meeting, and sincerely hope that you can spare one evening of your time to get acquainted with us and our purpose. Our first meeting will be conducted as a get acquainted dinner meeting. We will need to know in advance who plans to attend, so that we can make reservations accordingly.

We sincerely hope that your schedule will permit you to serve, along with other members of the community, on this committee to review the needs and resources of our area and to advise how we of HOMEMAKERS UPJOHN may fulfill our role as a provider of health care services to the people of the Coastal Bend.

If you have any questions, please call me; I am looking forward to your affirmative response.

Very Truly Yours,

Edra Maddox

Service Director
