Dear Fellow Texan:

The State Democratic Party is sponsoring a series of Democratic Participation Workshops throughout the state in an attempt to encourage greater citizen participation in the Democratic Party, especially by groups which are traditionally underrepresented in party politics, such as women, youth, the aged and ethnic and racial minorities.

The Democratic Participation Workshop for our area will be held on Saturday, November 15. If you are a supporter of the Democratic Party, we hope very much that you and your friends will join in this Democratic Participation Workshop.

The Workshop will focus on voter registration, precinct organization, precinct conventions and volunteer participation in the political process. This educational workshop will assist you and your friends in learning to participate more effectively in your Democratic Party.

There is a copy of the Workshop agenda on the back of this letter. The Workshop is free. Participants may purchase lunch during the lunch hour, or may bring their own lunch.

If you plan to participate, please fill out and return the pre-registration slip at the bottom of this sheet to the Workshop Coordinator at the address shown below. If you would like more information, please call the Workshop Coordinator, your state committeemembers, or your County Democratic Chairman.

Please come and bring your friends. We very much hope to see you.

Very truly yours,
