January 7, 1961 Honorable Lyndon B. Johnson Vice-President of the United States Washington, D. C. Dear Vice-President Johnson: A good friend of mine from Corpus Christi, Mr. Roy Rodriguez. 362 Baker Drive, Corpus Christi, Texas has contacted our good friend Congressman John Young to help him get a job with a bank in Washington, D. C. I believe that Congressman Young has contacted an American Bank and has been told that there is no possibility of Mr. Rodriguez getting a job or no possibility of a vacancy. Naturally, this means very much and I would like to respectfully ask you to see what you can do about getting him a position on the bank with the government in Washington. Mr. Rodrigues is bilingual and I am certain that he will fit in any position in one of those banks, especially with those banks that do business with the Latin American countries. He has great experience in banking business and I would appreciate it and would consider it as a personal favor if you could look into the matter and I hope that you will be able to place him. He is willing to go to Washington and I can assure you he is a fine gentleman. Please give this your up most consideration and attention. I will contact Mr. Rodriguez and notify him that I have contacted you as he is a great adairer and backer of yours. Very truly yours. Hector P.
