Congressman James Wright
Majority Leader U.S. Congress
U.S. House of Representatives
Washington, D.C.

Dear Congressman Wright;

Tony Canales and I want to thank you for your time and attention and your kindness that you showed us when we were there.

I have reported to the Corpus Christi Chamber of Commerce Committee on the Naval Base that I had petitioned and asked for your help. I told that that you were very kind and attentive and I knew that you understood our problem.

I have already talked to my sister Dr. Clotilde Garcia about how well you remembered her and she was delighted.

I am enclosing you the material that I promised you. Please help us with this matter also. Tony Canales is a very deserving person and can serve with dedication and with dignity in the position that we have discussed.

Thank you.

Su amigo,

H. P. Garcia
