Corpus Christi, Texas 78404

Office of the Dean, Division of
Technical, Vocational & Special Programs

January 20, 1978

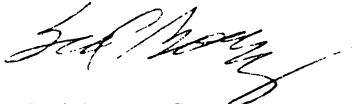

Hector P. Garcia, MD, PA
1315 Bright
Corpus Christi, Texas 78405

Dear Dr. Garcia:

As requested, I am enclosing the two (2) affiliation agreements we have with the U.S. Naval Hospital in Corpus Christi. This excellent teaching facility has provided clinical resources for twenty (20) dental assisting students and seventy-nine (79) nursing students during each academic year. The loss of this naval hospital and support units would result in drastic reductions in the number of dental and nursing students needed by this area. For many years we have relied on this resource to meet health science community needs.

We thank you for your interest and support of our educational endeavors.

Sincerely,

Ted Boaz, Dean
Technical, Vocational & Special Programs
