Dear Doctor:

John Wildenthal, a classmate of mine at the University of Texas School of Law, is campaigning for the post of United States Attorney for the Southern District of Texas. I respect John very highly and when he recently told me of his efforts, I suggested he get in touch with you to solicit your help.

John, who is originally from Cotulla, Texas, spent several years after graduation on Lyndon Johnson's staff and is now an Assistant Attorney General under Will Wilson.

I will appreciate your taking time to talk with John when he calls you. John realizes that you have a greater interest in seeking Judge Salinas' appointment, but he will appreciate your doing anything you can in his behalf.

Sincerely,

Frank Pinedo
