DEAR MR FREEMAN.

WE, THE AMERICAN G.I. FORUM, GROUP OF VETERANS AND THEIR FAMILIES WHO ARE OF MEXICAN AMERICAN ORIGIN WISH TO THANK YOU FOR YOUR EXPLANATION OF THE NEW TELEVISION SERIES TO AID OUR CHILDREN AND OTHER CHILDREN IN THE LEARNING PROCESS OF MATHEMATICS IN THE ELEMENTARY SCHOOLS.

HAVING BEEN INVOLVED DEEPLY IN THE DEFICIENCY OF INSTRUCTION TO THE MEXICAN AMERICAN CHILD WE ARE GLAD TO SEE AND ACCEPT ANY NEW CHANCE FOR IMPROVEMENT. YOUR PROGRAM HAS THIS PROMISE. WE THEREFORE SUPPORT IT COMPLETELY.

AS YOU KNOW, OUR ORGANIZATION IS INTERESTED IN ALL EFFORTS AIMED AT IMPROVING EDUCATIONAL AND VOCATIONAL OPPORTUNITIES FOR MEXICAN AMERICANS. WE ARE DEDICATED TO COOPERATE WITH ALL PROJECTS THAT SHOW PROMISE OF SUCH IMPROVEMENTS, FURTHER, WE ARE PLEDGED TO PARTICIPATE, IN ANY WAY WE CAN, IN THOSE ACTIVITIES WHICH LEAD TOWARD OUR GOALS.

IT SEEMS TO US THAT CORPUS CHRISTI IS A "NATURAL" FOR THE PRODUCTION OF SOME OF THE SEGMENTS OF THE SERIES. WE WISH YOU SUCCESS IN OBTAINING A CONTRACT. IF YOU ARE SUCCESSFUL, WE PROMISE YOU OUR ENTHUSIASTIC SUPPORT.

VERY TRULY YOURS,

DR. HECTOR P. GARCIA
