Dear Dr. Garcia:

Please accept our apologies for taking so long to get this picture to you. Unfortunately your request came to us while we were involved in the process of establishing a formal policy on reprint requests.

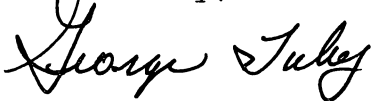

In the past we have allowed the public to inspect our unpublished negatives and with few exceptions have made them available. That is no longer our policy.

It is now our policy that no unpublished pictures shall be released to the public. This policy has been in effect at many other newspapers for some time.

Once again, we regret any inconvenience this delay has caused. Because of the timing, we felt it appropriate to make your request our last exception to a policy that we will firmly follow for all future requests.

We will get another copy to you next week.

Sincerely,

George Tuley
