Dr. Hector Garcia,

Writing you this letter it might be a surprise to you. But I am going through some of my husbands papers (Guillermo Oropeza) and I found a letter where he sent a check for 2 History books since 1980 before he passed away he wanted one for our son and one for us.

But they were going to send them as soon as they would be published, but I don't know if they have been published or not but I hope we can get them. The letter you answered him the last time was dated Feb 22, 1980. telling him you had received the check for his membership & the books.

When he passed away my son wanted to get some members from the H.S. Forum for his funeral.

Dr. I've found so many clippings & I sit down and cry because he saved every thing. Well Dr I hope I can get the books, because I talk a lot about the H.S. Forum that some people haven't heard about. Well wishing you & your family the best. God Bless

Thank you

Mrs. G.R. Oropeza

I didn't get a copy of your letter because I wanted to mail this letter soon

oh! yes I found the ^{Poem} ~~Poem~~ of La
discriminacion by Santos ~~de~~ La Paz
I also found the paper where one of
the D.A.R. didnt want ~~to~~ a mexican
to carry the flag.

But you know I went to make a
copy at the Post Office and I took
the copy and left the Original after
so many years. I went back to the
Post Office a couple of days later
when I found out I had left it
there. So I went back and they said
yes I left it there but that they
just kept them for 2 days since
I didnt go back they just threw it
away. Any way I have a copy not
to good but my son wanted some
copies of all the papers dad had.

oh! well please excuse the messy
letter, but I get so upset.
