Dear Doctor Garcia:

I just got back from your 25th Anniversary Banquet. I did not get a chance to see you personally and congratulate you on this wonderful occasion. Doctor Garcia I admire you greatly and I hope God will leave you with us for many years.

I apologize that I did not get to see you or indeed even to attend your birthday party here in Robstown but sometimes it is impossible to get away and I know

nobody knows better than
yourself.

Please give my regards
to your wife and family.

You are always in
my prayers.

God bless

Sincerely

Tr. Mcowan
