Dear Mr. Garcia

I needed to write in reference to the large envelop of all information of Felix Longoria, I have waited for you to return it, now I need it cause I'm ^{going} have for it.

Yes I heard Mr. Gonzales saying that you're planning in write a book or publishing a book.

I hope it is not with what information I sent, cause I'm going to do something, of sending it back to my friend.

I will be in Corpus Th 30 for a Doctor App. I will call if you hadn't sent my original information by then.

I thank You.
