Dear Dr Garcia

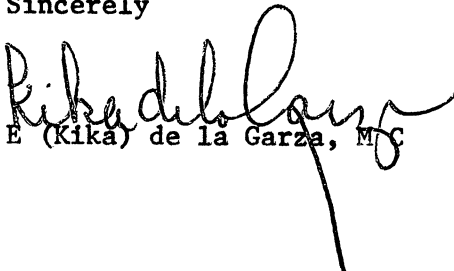

Separately I have sent you my autographed personal copy of the Congressional Hispanic Caucus painting for this year.

When the Caucus delivered this to me today, I was immediately struck by the fact that the reproduction of the remarkable young Vietnam veteran should go to you, the founder of the American GI Forum, as the very first person who understood and appreciated the concerns of our people who serve in our Nation's wars.

Thank you and God bless you. I trust you will enjoy receiving this copy as much as I've enjoyed making it available to you.

With my best wishes and always high regards, I am

Sincerely

E (Kika) de la Garza, M C
